To whom it may concern:

I am writing on behalf of Elisheva Epstein. I had the opportunity to get to know Elisheva quite well following her enrolment onto the BA (Hons) Architecture course at Leeds Beckett University in 2022. I supervised her first-year design project in semester two. I was also her tutor for design communication and architectural technology during her second year on the course.

Elisheva is an outstanding individual, talented, knowledgeable and skilled. I immediately liked her positive attitude and evident desire to do well, which she demonstrated from day one. A very hard-working student, conscientious and very keen, Elisheva demonstrated her ability to take on board tutors' feedback, which allowed her to build on her skills and achieve excellent grades. In all the years I have known her, and especially in comparison with her peers, Elisheva's performance has been very good, also thanks to her commitment, intelligence and self-motivation.

Elisheva has always shown a strong aptitude for the architecture subject and other art related subjects. She is creative and her design, drawing and model making skills are impressive. She is also versed in the use of specialist software, both for digital editing and 3D modeling. She demonstrated her knowledge in all subjects over the years, including design, technology, history and theory of architecture, and visual communication. She exceeded expectations and consistently strived for success.

Elisheva has excellent communication skills which she demonstrated during oral presentations as well as during day-to-day interactions with tutors and peers. I also always found her to be respectful, very polite, and a pleasure to talk to. Her team work skills are very good and, to my knowledge, she always had a good relationship with tutors and peers.

I believe Elisheva to be very determined and motivated in pursuing her objectives, with the ability to achieve excellent results and be successful in her chosen career path. It is for these reasons that I can recommend her wholeheartedly and I am happy to provide further information, should you require it. Thank you for your time and consideration.

Yours faithfully,
